### MOBILE RADIO ACCESSORIES ORDERING GUIDE

#### 1. SRG3900

For SRG3900 Series radio part numbers, refer to your Sepura sales contact.

If ordering a 'bulk pack' transceiver then the mounting plate kit and power/audio lead must be ordered separately.

#### 2. CONTROL

##### Console SCC1/SCC3 (IP54) Keymat Language

(For IP55 DIN install see SPR-DOC-03974 Installation

	PART NO.	Guide)
SCC1 Console - Latin	300-00771	
SCC1 Console - Simple Chinese	300-00769	
SCC1 Console - Zhuyin Chinese	300-00766	
SCC1 Console - Macedonian Cyrillic	300-00767	
SCC1 Console - Russian Cyrillic	300-00957	
SCC1 Console - Korean	300-00768	
SCC1 Console - Arabic	300-00770	
SCC1 Console - Turkish	300-01896	
SCC3 Enhanced Console - Latin	300-01808	
SCC3 Enhanced Console - Simplified Chinese	300-01811	
SCC3 Enhanced Console - Zhuyin Chinese	300-01812	
SCC3 Enhanced Console - Macedonian Cyrillic	300-01813	
SCC3 Enhanced Console - Russian Cyrillic	300-01814	
SCC3 Enhanced Console - Korean	300-01810	
SCC3 Enhanced Console - Arabic	300-01809	

##### Console SCC2/SCC3 (IP67) Keymat Language

SCC2 Console - Latin	300-00760
SCC2 Console - Simple Chinese	300-00762
SCC2 Console - Zhuyin Chinese	300-00765
SCC2 Console - Macedonian Cyrillic	300-00764
SCC2 Console - Korean	300-00763
SCC2 Console - Arabic	300-00761
SCC3 Enhanced Console - Latin	300-01815
SCC3 Enhanced Console - Simplified Chinese	300-01818
SCC3 Enhanced Console - Zhuyin Chinese	300-01819
SCC3 Enhanced Console - Macedonian Cyrillic	300-01820
SCC3 Enhanced Console - Russian Cyrillic	300-01821
SCC3 Enhanced Console - Korean	300-01817
SCC3 Enhanced Console - Arabic	300-01816

##### Handset Based Console (HBC) Keymat Language

HBC2 Console - Latin	300-01079
HBC2 Console - Simple Chinese	300-01177
HBC2 Console - Zhuyin Chinese	300-01181
HBC2 Console - Macedonian Cyrillic	300-01180
HBC2 Console - Russian Cyrillic	300-01182
HBC2 Console - Korean	300-01178
HBC2 Console - Arabic	300-01179
HBC3 Enhanced Console - Latin	300-01801
HBC3 Enhanced Console - Simple Chinese	300-01804
HBC3 Enhanced Console - Zhuyin Chinese	300-01805
HBC3 Enhanced Console - Macedonian Cyrillic	300-01807
HBC3 Enhanced Console - Russian Cyrillic	300-01806
HBC3 Enhanced Console - Korean	300-01802
HBC3 Enhanced Console - Arabic	300-01803
HBC Mounting Cradle Bracket	300-00671
HBC Interface Box (Requires Remote Console Cable)	300-00670

##### Virtual Console

Virtual Console Software	600-00025
Virtual Console Interface Box (3.5mm Audio/PTT/Line Jack Sockets) with 5M Integrated Console Cable	300-00588
Virtual Console licence (First Instance)	600-00026
Virtual Console licence (Second and Subsequent Instances)	600-00027

##### Audio Interface Unit (AIU)

Audio Interface Unit (AIU) Mk2 - Contact Sepura

This document summarises the most common accessories used with the SRG3900 Radio. For further details about specialist accessories including Motorcycle and Marine radios, please visit [sepura.com](http://sepura.com) or contact your local sales representative.

Sepura's policy is to continually improve its products and services. The features and facilities described in this document were correct at publication, but are subject to change without notice.

#### 3. Console / Transceiver / Desk Mounting Kits

	PART NO.
Console Dash Mount Kit (pivot) (for SCC1/SCC3 only)	300-01117
Console DIN Mount Kit (for SCC1/SCC3 only)	300-00804
AMPS Plate (provides AMPS standard mounting)	300-00784
AMPS (ratchet hinges) Mount (vertical plane adjustment)	300-00629
AMPS Ball (2 x balls can be used on a double socket arm)	300-00860
AMPS Double Socket Arm (provides universal joint)	300-00861
AMPS Handlebar Bracket	300-00862
Transceiver Mounting Plate Kit	300-00086
Desk Mount Unit (DMU, Incl. PSU, EU/UK mains leads), (transceiver, console, mic / handset to be ordered separately)	300-00073
Desk Mic with PTT for use with DMU	300-00074

#### 4. Loudspeakers, Audio/Power Lead

Low Profile Loudspeaker - 8W RMS, 1M Lead	300-00719

Loudspeaker Extension Lead 5M (recommended for 5M console cable (boot/trunk mount transceiver installation) Power/Audio Lead (Incl. 3 alarm I/P and 1 control O/P)	300-00082
	300-00066

#### 5. Console Cables

Remote Console Cable - 0.5M	300-00067
Remote Console Cable - 2M	300-00068
Remote Console Cable - 3M	300-00664
Remote Console Cable - 5M	300-00069
Remote Console Cable - 7M	300-00665
Remote Console Cable - 10M	300-00070
Remote Console Cable - 12M	300-00666
Remote Console Cable - 15M (for use with SCC1 only)	300-00896
Remote Console Cable - 20M (for use with SCC1 only)	300-00895
Remote Console Cable - 30M (for use with SCC1 only)	300-00897
Console Interface Box (PEI Breakout)	300-00221

#### 6. Standard Audio Accessories

Fist Mic (rear console connector - Hirose)	300-00062
Handset with PTT (rear console connector - Hirose)	300-00061
Speaker Mic (front console connector - VAC)	300-00722
Handset with PTT (front console connector - VAC)	300-00726
Fist Mic IP67 for SCC2 (rear console connector - LTW)	300-00894
Hands Free Kit (rear console connector - Hirose)	300-00079
Hands Free Kit (for virtual console / AIU - Jack Plugs)	300-00085

#### 7. Public Transport Vehicle Accessories

Goose Neck Mic (rear console connector - Hirose)	300-01902
Footswitch (rear console connector - Hirose)	300-01893
Emergency Button (bare wire for SRG alarm input)	300-01905
Panic Switch (wiring not supplied)	300-01904
24/12V Convertor (wiring not supplied)	300-01903

#### 8. ANTENNA

Flexi Whip/GPS Ant.	2dBi	380-430MHz	390-00001
Flexi Whip Ant.	2dBi	380-430MHz	390-00005
Flexi Whip Mag Mount	2dBi	380-430MHz	390-00006
1/4 Wave Hinged Ant.	2dBi	380-430MHz	310-00006
5/8 Wave Hinged Ant.	7dBi	380-410MHz	310-00007
5/8 Wave Hinged Ant.	7dBi	400-430MHz	320-00008
1/4 Wave Hinged Ant.	2dBi	430-472MHz	330-00009
5/8 Wave Hinged Ant.	7dBi	430-472MHz	330-00010
1/2 Wave Base Loaded Ant.	5dBi	800-870MHz	350-00004
GPS Active Antenna (M14 bolt mount)			300-00393
GPS Active Antenna (magnetic mount)			300-00063

For fixed mobile (desktop base station) antennas, please refer to your Sepura sales contact
