YEAR
WARRANTY

Durable, dependable and versatile, the Avior is a trusted amber beacon designed to deliver strong visual performance in challenging environments. Sealed housing protects against dust and moisture, while the choice of permanent or magnetic mount ensures there's a version to suit most vehicle types running on 12V or 24V systems.

Equipped with 24 high-intensity LEDs and offering both single flash and rotating patterns, the Avior provides clear, consistent light output wherever it's needed. It's a practical, reliable solution for professionals managing everyday safety requirements.

DIMENSIONS
