

WORK LIGHT CIRIUS

PRODUCT OPTIONS

Cirius - 3" Work Light **SS-CIR3**

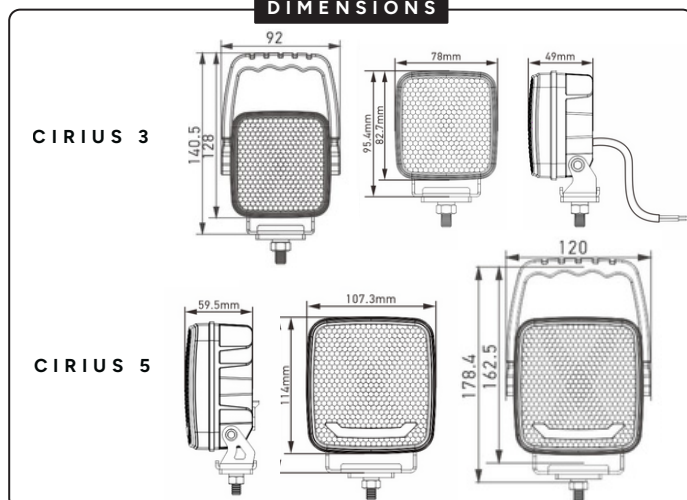

Cirius - 4" Work Light **SS-CIR4**

Built for tough conditions and low-light environments, the Cirius work light combines durability with impressive brightness. Its robust aluminium housing and compact design make it ideal for commercial, agricultural, or off-road use.

Available in two sizes, this work light delivers powerful illumination of up to 4000 lumens, helping you see clearly and work confidently in all conditions. Designed for vehicles that demand more from their equipment, this is a work light which offers a wide, even spread of light and a solid, weather-resistant build - making it a practical and versatile choice for professionals.

DIMENSIONS
